

Tommy Cooper said. Part 2

I got home from work and the wife said - I'm very sorry dear, but the cat's eaten your dinner'. I said 'Don't worry - I'll get you a new cat'.

I went into this ice cream parlour and said 'I'd like a vanilla cone'. The assistant said 'Hundreds and thousands?'. I said 'No - I'll just have the one'. He said 'knickerbocker glory?' I said 'I do get a certain amount of freedom in these trousers, yes.'

I've always been unlucky. I had a rocking horse once, and it died.

Sometimes I drink my whiskey neat. Other times I take my tie off and leave my shirt out.

My wife and I were fighting like hammer and tongs. She won, she had the hammer.

I hurt my back the day. I was playing piggy back with my 6 year old nephew, and I fell off.

A man takes his Rottweiler to the vet. 'My dog's cross-eyed, is there anything you can do for him?' 'Well,' says the vet, 'let's have a look at him' So he picks the dog up and examines his eyes, then checks his teeth. Finally, he says 'I'm going to have to put him down.' 'What? Because he's cross-eyed?' 'No, because he's really heavy'

Guy goes into the doctor's. 'Doc, I've got a cricket ball stuck up my backside.' 'How's that?' 'Don't you start'

I went to the butchers the other day and I bet him 50 quid that he couldn't reach the meat off the top shelf. And he said, 'no, the steaks are too high.'

'I was cleaning out the attic the other day with the wife. Filthy, dirty and covered with cobwebs.... but she's good with the kids...'

Apparently, 1 in 5 people in the world are Chinese. And there are 5 people in my family, so it must be one of them. It's either my mum or my dad. Or my older brother Colin Or my younger brother Ho-Cha-Chu. But I think it's Colin.

A blind bloke walks into a shop with a guide dog. He picks the dog up and starts swinging it around his head. Alarmed, a shop assistant calls out: 'Can I help, sir?' 'No thanks,' says the blind bloke. 'Just looking.'

Cos it's strange, isn't it. You stand in the middle of a library and go 'Aaaaaagghhhh' and everyone just stares at you. But you do the same thing on an aeroplane, and everyone joins in.

You know, somebody actually complimented me on my driving today. They left a little note on the windscreen, it said 'Parking Fine.' So that was nice.

I went to Millets and said 'I want to buy a tent.' He said 'To camp?', I said (butchly) 'Sorry, I want to buy a tent.' I said 'I also want to buy a caravan.' He said 'Camper?' I said (campily) 'Make your mind up.'

So I went to the dentist. He said 'Say Aaah.' I said 'Why?' He said 'My dog's died.'" 'Now, most dentist's chairs go up and down, don't they? The one I was in went back and forwards. I thought 'This is unusual'. And the dentist said to me 'Mr Cooper, get out of the filing cabinet.'

So I was in my car, and I was driving along, and my boss rang up, and he said 'You've been promoted.' And I swerved. And then he rang up a second time and said 'You've been promoted again.' And I swerved again. He rang up a third time and said 'You're managing director.' And I went into a tree. And a policeman came up and said 'What happened to you?' And I said 'I careered off the road.'
