

Man on Beach

A man was sitting on a beach and he had no arms and no legs. Three women walking past felt sorry for the poor man. The first woman said "Have you ever had a hug?"

The bloke said "No", so she gave him a hug and walked away.

Then the second woman said, "Have you ever had a kiss?" The bloke said "No", so she gave him a kiss and walked away.

Then the third woman came up to him and said "Have you ever been f****d?"

The bloke said "No", "You will be when the tide comes in!"

The Female Pharmacist

A West Texas cowboy walked into a drug store and asked to talk to a male pharmacist.

The woman he was talking to said that she was the pharmacist and as she and her sister owned the store, there were no males employed there.

She then asked if she could help the gentleman. The cowpoke said that it was something that he would be much more comfortable discussing with a male pharmacist.

The female pharmacist assured him that she was completely professional and whatever it was that he needed to discuss, he could be confident that she would treat him with the highest level of professionalism.

The Texas cowboy agreed and began by saying, "This is tough for me to discuss, but I have a permanent erection. It causes me a lot of problems and severe embarrassment, and I was wondering what you could give me for it." The pharmacist said, "Just a minute, I'll go talk to my sister."

When she returned, she said, "We've discussed it at length and the absolute best we can do is, 1/3 ownership in the store, a company car, and \$3,000 a month living expenses."
