

Male or Female

Received from, Ramdas P.Pai

You may not know this but many non-living things have a gender.

A Subway is Male, because it uses the same old lines to pick people up.

A Web Page is Female, because it's always getting hit on.

Ziploc Bags are Male, because they hold everything in, but you can see right through them.

Copiers are Female, because once turned off; it takes a while to warm them up again.

It's an effective reproductive device if the right buttons are pushed,
but can wreak havoc if the wrong buttons are pushed.

A Tire is Male, because it goes bald and it's often over-inflated.

An Hourglass is Female, because over time, the weight shifts to the bottom.

A Hot Air Balloon is Male, because, to get it to go anywhere,
you have to light a fire under it, and of course, there's the hot air part.

Sponges are Female, because they're soft, squeezable and retain water.

A Hammer is Male, because it hasn't changed much over the last 5,000 years,
but it's handy to have around.

A Remote Control is Female. Ha! You thought it'd be male, didn't you?

But consider this - it gives a man pleasure, he'd be lost without it,
and while he doesn't always know the right buttons to push, he keeps trying!
