

## Hell's not such a bad place.

A man finds himself in Hell.

He's very sad and unhappy about being there.

A man tries to tell him that HELL a wonderful place, everyone has lots of fun here, there's something for everyone.

He asks do you like to sports, Yes I do, Well on Mondays we all do sports to keep fit.

He asks do you like Films and TV, Yes I do, Well on Tuesdays we can see any film we like.

He asks do you like to drink, Yes I do, Well on Wednesdays we all get drunk and have a great time getting sloshed out of our brains.

Do you like to gamble the man asks, Yes I do, Well on Thursdays we bet on everything and anything, we win and lose millions, it's a great day for all sorts of gambles.

Do you like making love to women, Yes I do, Well on Fridays we have a real sexy day, we make love all day in every position you can think of, it's a great lusty day for everyone.

Are you gay asks the man, No I'm not, Well you won't like Saturdays then.
