

My wife and I have all the secrets for making a marriage last.

1. Twice a week, we go to a nice restaurant, have a little wine, some good food and companionship. She goes Tuesday's, I go Fridays.
2. We also sleep in separate beds. Hers is in Florida and mine is in France.
3. I take my wife everywhere, but she keeps finding her way back.
4. I asked my wife where she wanted to go for our anniversary. "Somewhere I haven't been in a long time!" she said. So I suggested the kitchen.
5. We always hold hands. If I let go, she goes shopping.
6. She has an electric blender, electric toaster, and electric bread maker. Then she said, "There are too many gadgets, and no place to sit down!" So I bought her an electric chair.
7. My wife told me the car wasn't running well because there was water in the carburettor. I asked where the car was, she told me, "In the lake."
8. My wife's now on a new diet of Coconuts and bananas. She hasn't lost weight, but BOY, can she climb a tree.
9. She got a mudpack and looked great for two days. Then the mud fell off.
10. She ran after the rubbish truck, yelling, "Am I too late for the rubbish?" The driver said, "No, jump in!"

Remember..Marriage is the number one cause of divorce.
Statistically, 100% of all divorces started with marriage.

I married Miss Right. I just didn't know her first name was Always.

I haven't spoken to my wife for 18 months. I don't like to interrupt her.

The last fight was my fault. My wife asked, "What's on the TV?"... I said, 'Dust!'

In the beginning, God created earth and rested.
Then God created man and rested.
Then God created woman.
Since then, neither God nor man has rested.
