

## Too True if Your Married

You have two choices in life: you can stay single and be miserable, or get married and wish you were dead.

Getting married is very much like going to a restaurant with friends. You order what you want, then you see what the other person has, you wish you had ordered that.

At the cocktail party, one woman said to another, "Aren't you wearing your wedding ring on the wrong finger?" The other women replied, "Yes I am, I married the wrong man"

After a quarrel, a husband said to his wife, "You know, I was a fool when I married you. " She replied, "Yes dear, but I was in love and didn't notice"

A lady inserted an 'ad' in the classifieds: "Husband wanted". Next day she received a hundred letters. They all said the same thing: "You can have mine"

When a woman steals your husband, there is no better revenge than to let her keep him.

Eighty percent of married men cheat in America. The rest cheat in Europe.

Man is incomplete until he is married. Then he is finished.

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying."

A woman was telling her friend, "It is I who made my husband a millionaire." "And what was he before you married him?" asked the friend. The woman replied, "A billionaire"

Marriage is the triumph of imagination over intelligence. A second marriage is the triumph of hope over experience.

You know the honeymoon is pretty much over when you start to go out with the boys on Wednesday nights, and so does she.

During a heated spat over finances the husband said, "Well, if you'd learn to cook and were willing to clean this place, we could fire the maid. " The wife, fuming, shot back, "Oh yeah? Well, if you'd learn how to make love, we could fire the chauffeur and the gardener."

Husband: Want a quickie? Wife: As opposed to what?

My wife told me I should be more affectionate. So I got two girlfriends.

The most effective way to remember your wife's birthday is to forget it once.

First guy (proudly): "My wife's an angel! " Second guy: "You're lucky, mine's still alive"

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are beautiful.

How do most men define marriage? A very expensive way to get your laundry done for free.
